### **7. Springs (separated in age categories) Girls and Boys**

Free program: Duration max. 3 min. shorter programs will not be punished by deduction.

**Age category Under 7** born after July 01, 2008

**Age category Under 8** born between July 01, 2007 and June 30, 2008

**Age category Under 9** born between July 01, 2006 and June 30, 2007

**Age category Under 10** born between July 01, 2005 and June 30, 2006

**Age category older than 10** born before June 30, 2005 to max. Age group 2000

All age categories could be folded up or separated depending on the number of entries.

Contents: Max. 6 jump elements with minimum 1 type of axel; (A cadet jump fulfil the requirements but has no value.), max. 2 jump combinations or sequences consisting of 2 jumps. In sequences more jumps are possible, but only the two jumps with the highest value will be judged. Every jump is not allowed to be shown more than 2 times.

Max. 2 Spins of different nature, one of those spins have to be in one position.

Max. 1 Step Sequence

Judged are following components:

- Skating Skills
- Transitions
- Performance
- Interpretation

The factor for the components is 1,5. All elements with possibility to level features will be counted to level 3. A fall has the deduction of 0,5 points.

In the age category "Under 7" a fall in a jump with 1 ½ rotations or more with full rotation (no < or << sign) will not be punished with the deduction of 0,5 points.

In the age category "Under 8" a fall in a jump with 2 rotations or more with full rotation (no < or << sign) will not be punished with the deduction of 0,5 points.

## **8. Michel-Cup for age categories 2008 to maximal 1999** *without examination / test*

For each age group there will be an own competition if there is a minimum of 8 registrations for one age-group. If this requirement is not fulfilled, the organizer will fold up different age groups.

Girls and Boys will start together in the same competition. There will not be a separate calculation. The organizer reserves the right to separated girls and boys.

Free program: Duration max. 3 min. shorter programs will not be punished by deduction.

Contents: Max. 6 jump elements. Axel and Double jumps are not allowed. Max. 2 jump combinations or sequences consisting of 2 jumps. In sequences more jumps are possible, but only the two jumps with the highest value will be judged.

Every jump is not allowed to be shown more than 3 times.

Max. 2 Spins of different nature.

Max. 1 Step Sequence

Judged are following components:

- Skating Skills
- Transitions
- Performance
- Interpretation

The factor for the components is 1,5. All elements with possibility to level features will be counted to level 3. A fall has the deduction of 0,5 points.
